

MID-ATLANTIC INVASIVE PLANT COUNCIL CONFERENCE

October 20-21, 2025

DEAR SUPPORTER,

We are writing to ask for your support of the 2025 Mid-Atlantic Invasive Plant Council Conference. The 2025 conference will be held on October 20th and 21st at the Lewis Ginter Botanic Garden in Richmond, Virginia.

The mission of the Mid-Atlantic Invasive Plant Council (MAIPC) is to address the problem of invasive plants and their threat to the Mid-Atlantic region's economy, environment, and human health by providing leadership, facilitating information development and exchange, and coordinating regional efforts.

The MAIPC strives to hold a biennial conference where we bring leading practitioners, academics, and advocates from government, business, and non-profit environmental groups together for a two-day symposium. We are excited to bring our Mid-Atlantic partners back together for the first time since the pandemic to focus on some of the most pressing issues facing Mid-Atlantic flora, fauna, and native habitats.

Please consider becoming a conference sponsor. Sponsorship is a wonderful way to promote your organization to the larger invasive plant and ecological restoration community. It also helps us keep the event affordable for a wider audience.

Exhibit tables will be available for sponsor displays during both days of the conference and co-located with conference refreshments to ensure maximum visibility.

CONTACT: Form more information and special sponsorship opportunities, please contact Marian Orlousky, Mid-Atlantic Invasive Plant Council Sponsorship Committee: morlousky@appalachiantrail.org

2025 conference information can be found at:
<https://invasivesfree.org/maipc-conference/>

Thank you in advance for you sponsorship,

Norris Muth
President, Mid-Atlantic Invasive Plant Council
